

CURRICULUM VITAE

NAME:

Jennifaye V. Greene, PT, MS, NCS

ADDRESS:

1635 Mulberry Street
Charleston, SC 29207
Telephone: 843.763.0226

Work: Self Employed

jvb physical therapy services, inc.
Telephone: 843.364.5089
Fax: 843.763.0229
Email: info@jvbneuropt.com
Website: www.jvbneuropt.com

EDUCATION:

University of Miami, Miami, Florida
Master of Science, 1990
Physical Therapy

Emory University, Atlanta, Georgia
Bachelor of Art, 1988
Psychology

CURRENT STATUS

Student University of South Carolina, Columbia, SC
Doctoral Program in Exercise Science, Arnold School of Public Health
Specialization: Health Aspects of Physical Activity
Anticipated Matriculation: May 2013

GPA 3.842

Professional Development

Graduate Teaching Assistant/International Assistant Workshop, 8/12-13/2009

Employment Graduate Assistant, Stroke Intensive Mobility Training & Virtual Environment
Rehabilitation For Stroke

Principal Investigator: Stacey Fritz, PhD, 8/2010-Present

Graduate Assistant, STARS Project.

Principal Investigator: Patricia A Sharpe, PhD, 8/2009-4/2010

Scholarships Alpha Kappa Alpha Sorority, Inc. Educational Advancement Foundation
Graduate Merit Scholarship

University of South Carolina Graduate Student Incentive Continuing Scholarship
For African-American Students

PROFESSIONAL EXPERIENCE:

1996-Present **Principal**, jvb physical therapy services, inc.
Consultation & Physical Therapy Intervention in Neurology; Sponsor & Speaker
for Continuing Education Courses; Contract Physical Therapy Services

2009-Present **PRN Physical Therapist**, Providence Hospital: Acute Care

2007-Present **PRN Physical Therapist**, PHC Rehab: Home Health Division & Outpatient
Neurorehabilitation Program

2006-2007 **PRN Physical Therapist**, HealthSouth Rehabilitation Hospital: Inpatient &
Outpatient Rehabilitation

- 2004-2006 **Staff Physical Therapist**, Palmetto Health Richland: Acute Care
8/2005 – 5-2006: PRN Physical Therapist
- 2004-Present **Clinical Preceptor & Educator for Occupational & Physical Therapy Staff**,
PRN Physical Therapist, Shepherd Center: Acquired Brain Injury Unit; Bridge
Program
Staff Physical Therapist, 2003-2004, Shepherd Pathways: Outpatient & Day
Rehabilitation; Research Committee; Continuing Education Courses & Inservices
PRN Physical Therapist, 1996-2003, Shepherd Center: Inpatient Rehabilitation
Evaluation & Treatment of Acquired Brain Injury Population; Program
Development; Provided Continuing Education Courses & Inservices
- 1998-2003 **PRN Physical Therapist**, Atlanta Medical Center: Acute Care & Acute
Rehabilitation
Staff Physical Therapist, Acute Rehabilitation
Evaluation & Treatment of Various Populations: General Medicine, Orthopedic,
Neurology, Trauma; Program Development; Numerous Presentations &
Inservices
- 1996-1998 **PRN Physical Therapist**, Georgia Baptist Medical Center: Acute Care & Acute
Rehabilitation; Day Rehabilitation
Evaluation & Treatment of Various Populations: General Medicine, Orthopedic,
Neurology, Trauma; Program Development; Numerous Presentations &
Inservices
- 1994-1996 **Staff Physical Therapist**, DeKalb Medical Center: Acute Rehabilitation
Evaluation & Treatment of Various Populations: General Medicine, Orthopedic,
Neurology, Trauma; Program Development; Numerous Presentations &
Inservices; Stroke Excellence Design Team; 3600 Quality Team
Staff Physical Therapist, 1991-1992, Acute Care: Synergy-Neurology Conference
Team; Physical Therapy Discipline Committee; Case Management Team
- 1993-1994 **Contract Physical Therapist**, Therapists Unlimited
- 1992-1993 **Staff Physical Therapist**, Meadowbrook Atlanta: Subacute Neurorehabilitation
Unit
Evaluation & Treatment of Acquired Brain Injury Population; Family Education
Series

RECOGNITIONS:

DeKalb Medical Center

Employee of the Month
Over & Above Award (3)

Meadowbrook Atlanta

Essy Award

CERTIFICATIONS & LICENSURES:

2011	Georgia State Board of Physical Therapy	#3236
2010	South Carolina State Board of Physical Therapy Examiners	#2723
2015	American Physical Therapy Association (APTA) Board Certified Clinical Specialist in Neurology	(#8851 from 2004) (#1119 from 1995)
2011	Aerobics & Fitness Association of America Certified Personal Trainer	#721-2
2010	American Heart Association Basic Life Support <i>Instructor</i>	
2005	APTA Clinical Instructor Education Board Credentialed Clinical Instructor	(Year Issued)

PROFESSIONAL ASSOCIATIONS

American Physical Therapy Association (APTA)
Neurology Section of the APTA
South Carolina Physical Therapy Association (SCAPTA)
Neuro-Developmental Treatment Association, Inc.
Aerobics & Fitness Association of America

APPOINTMENTS by the APTA

1/1/2005-12/31/2006 by the American Board of Physical Therapy Specialties to the Specialization Academy of Content Experts (SACE). The responsibility of SACE members is to write and edit items for specialist certification examinations.
7/01/1998 - 6/30/2001 Advisory Panel on Minority Affairs

CLINICAL RESEARCH

Accepted Research Proposal 9/2004: Subsensory Electrical Stimulation For Motor Recovery of the Hemiplegic Foot in Stroke Patients, Shepherd Center
An Interdisciplinary Approach to Hemiplegic Shoulder Pain & Positioning: A Pilot Study, DeKalb Medical Center, 1996
Researched, designed and developed the **Wheelchair Forearm Splint** based on above study. Submitted for potential manufacturing by Smith & Nephew, Inc & Sammons Preston, Inc.

TEACHING EXPERIENCE:

Adjunct Faculty, Medical University of South Carolina, College of Health Professions, Department of Rehabilitation Sciences, Physical Therapy Educational Program, Spring & Summer Semesters 2008: Neuromuscular I & II Labs, respectively

Adjunct Professor, Gwinnett Technical College, Physical Therapy Assistant Program
Winter Quarter 2003: Electro-Therapeutics

Lecturer, Georgia State University, Physical Therapy Program
1996-1999: Neurology Skills Lab

Clinical Instructor

Shepherd Center Pathways
Atlanta Medical Center
DeKalb Medical Center: Developed & Implemented Student Neurology Lab
Meadowbrook Atlanta

Clinical Educator

Georgia Baptist Medical Center: Developed & Implemented CVA Gait Lab
Shepherd Center, Acquired Brain Injury Unit

COURSE INSTRUCTOR

Developed and delivered one and two-day continuing education courses for health care facilities and professional organizations

Where Do I Put My Hands to Facilitate the Upper Extremity? Clinical Applications of Neuro-Developmental Treatment, 2010-Present

Transitioning to Stand. It Is More Than Min-, Mod-, or Maximal Assistance. 2010-Present
NeuroCognitive Reasons for Falls, 2010-Present

Gait Analysis...What You See Can You Fix?, 2009-Present

Clinical Assessment of the Adult Neurologic Foot & Ankle: Implications for the Use of the Dynamic Ankle Foot Orthosis, 2009

Analyze This...Abnormal Neurologic Gait. Treatment Interventions for Better Functional Outcomes, 2009-Present

Treatment Interventions for the Acute Stroke Patient in Inpatient Rehab, 2009

Improving Ambulation for Patients With Stroke, 2009

Facilitating Return of the Hemiplegic Upper Extremity. What Really Works?, 2009

Clinical Neuroanatomy Rehabilitation Therapists: Lesions, Impairments, and Treatment Interventions, 2008-Present

Gait Training for Patients with Stroke, 2007-Present

Core Stabilization Exercises for Patients with Stroke, 2007-Present

Dynamic Ankle Foot Orthosis for the Neurologically Impaired Adult, 2007-Present

Ankle Foot Orthoses After Stroke *Articulating the Solid Facts about Gait*, 2007

Hemiplegic Upper Extremity: Evidence Based Practice Treatment Strategies in Neurorehabilitation, 2007-2008

Hemiplegic Upper Extremity: Evidence Based Practice for Clinical Approaches in Neurorehabilitation, 2006

The Hemiplegic Upper Extremity - Topics in Neurorehabilitation, 2006-Present

The Neuro-Developmental Treatment Approach for Neurologic Gait Dysfunction, 2006-2007

Minimizing Upper Extremity Dysfunction Utilizing NDT, 2/2006

The Neuro-Developmental Treatment Approach for Gait Training, 2005

Neurologic Gait Dysfunction, 2005-Present

Hemiplegic Upper Extremity: Different Perspectives to Promote Function, 11/2004

Introduction to Traumatic Brain Injury Management, 3/2004

Acute Care Neurorehabilitation, 3/2003-Present

Hemiplegic Gait: Techniques to Integrate the Affected Upper & Lower Extremities, 1/2003

What To Do With The Hemiplegic Arm During Gait, 8/2001 - Present

Therapeutic Techniques for Patients With Hemiplegia, 3/2001

Hemiplegic Gait: Introductory Course on Gait Analysis & Therapeutic Intervention, 2001-2004

The Hemiplegic Upper Extremity: A Neuro-Developmental Treatment Approach, 3/2000

Gait Analysis & Therapeutic Intervention to Improve Hemiplegic Ambulation, 1999-2000
Hemiplegic Upper Extremity, 1998-2004
Introduction to Neuro-Developmental Treatment, 1999-Present
Clinical Assessment & Treatment of Hemiplegic Shoulder Subluxation, 9/1998
Lower Extremity Splinting & AFO Intervention for Upper & Lower Motor Lesions, 6/1998
Neurologic Acute Care Assessment & Treatment, 11/1996

COURSE SPONSOR

Ethics & Jurisprudence, 2000-2002

PRESENTATIONS & INSERVICES

Neural Perspectives Conference

NeuroCognitive Reasons for Falls, 3/ 27/2010

University of Central Arkansas Occupational Therapy Department

Taping & Electrical Stimulation Interventions for the Subluxed Neurologic Shoulder, 7/11/2009

Clinical Assessment of the Adult Neurologic Foot & Ankle: Implications for the Use of the Dynamic Ankle Foot Orthosis, 7/11/2009

Michigan Physical Therapy Association

What to do With the Hemiplegic Arm During Gait, 10/10-11/2008

Home Rehabilitation Services of Michigan

Gait Training for Patients With Stroke: Techniques to Facilitate the Upper Extremity, Trunk, & Lower Extremity, 10/4/2008 Lab Instruction, 1/24/2009

Wisconsin Physical Therapy Association

What to do With the Hemiplegic Arm During Gait, 10/2/2008

Facilitating Return of the Hemiplegic Arm. What Really Works, 4/25-26/2009

North Dakota Physical Therapy Association

Gait Training for Patients with Stroke, 9/20-21/2008

West Virginia Physical Therapy Association

Gait Training for Patients with Stroke, 4/25/2008

American Physical Therapy Association of New Jersey

Gait Training for Patients with Stroke, 4/11/2008

What to do With the Hemiplegic Arm During Gait, 4/12/2008

South Carolina American Physical Therapy Association Annual Conference

Hemiplegic Gait: Can You Talk the Walk?, 4/15/2007

HealthSouth Rehabilitation Hospital

Subsensory Stimulation to Facilitate Volitional Motor Activity, 12/18/2006

Exercises at Home With Household Items, Community Stroke Education Program, 11/28/2006

American Academy of Physical Therapy & National Society of Allied Health Conference

Stroke Rehabilitation and African Americans: Do Disparities Exist, 3/23/2007

Utilizing the International Classification of Functioning, Disability & Health (ICF) by the World Health Organization (WHO) as a Model for Neurologic Physical Therapy

Evaluation & Treatment, 3/24/2006

North Georgia College and State University, 2005 Clinical Educators' Institute
Case Study in Neurology, Acute Care PT Intervention for the Diagnosis of a Brain Neoplasm,
4/30/2005

Palmetto Health Richland

Documentation For Sitting & Standing Balance, 10/7/2005
Reducing Shear Forces During Transfer Training, 10/19/2005
Correlative Neuroanatomy Implications for Acute Care Interventions, 3/22/2005

American Physical Therapy Association

National Assembly of Physical Therapy Assistants

NDT Techniques to Facilitate Gait, 8/23/2003 & 7/31/2004

Facilitating Gait: Using NDT Principles (Dev for the PTA) National Conference,
7/3/2004

National Student Conclave

Foot Drop: Atypical Neurological Outcome With An Orthopedic Etiology -
Splinting With An External Fixator, 10/1997
Wheelchair Forearm Splint, 10/1996

Combined Sections Meeting

Career Development and Leadership: The Curious Case of the Class of 1990 - 20 Years
Later, 2/19/2010
DeKalb Medical Center CVA Caremap for Acute Care & Rehab Unit, 2/1996

Georgia Association of Rehabilitation Nurses

Bobath: Upper Extremity Techniques as Nursing Interventions, 3/30/2001

American Academy of Physical Therapy Annual Conference

Ethics & Jurisprudence, 10/15/2004
Under Representation in Clinical Specialization, 10/21/2000

Atlanta Medical Center

Gait Training With Crutches & Canes, 3/18/2002
Transfer Training Techniques for the Hemiplegic Patient - Nursing Interventions, 5/8/2001
Gait Analysis: The Effects of a Solid Ankle AFO, 2/3/2000

Shepherd Center

Clinical Neuroanatomy for Rehabilitation Therapists. Lesions, Impairments, & Treatment
Interventions, 3/6/2010
Cerebellar Ataxia, 12/30/2009
Analyze This... Abnormal Neurologic Gait. Treatment Interventions for Better Functional
Outcomes, 6/6/2009
Transitioning to Stand. What You See Is What You Get. How to Prepare for Gait, 4/7/2009
Serial Casting for the Lower Extremity, 2/4/2009
It's All in the Holding & the Positioning for the Rehab Techs, 1/8/2009
The Neurologic Shoulder, 11/12/2008, 12/17/2008, 1/7/2009
Clinical Assessment of the Adult Neurologic Foot & Ankle. Implications for the Use of the
Dynamic Ankle Foot Orthosis, 12/3/2008
Facilitating the Trunk Using NDT Techniques, 7/30/2008 & 9/24/2008

Functional Reach, 9/23/2004 & 10/22/2004
Facilitating Volitional Movement of the Hemiplegic Upper Extremity Using the Theraknit Glove & E Stim, 4/23/2004

Brain Injury Conference: Dynamic AFOs for the Neurologically Impaired, 2/7/2004
Hemiplegic Gait: An Inservice for Rehabilitation Technicians, 3/15/2000
Scapular Taping: Considerations for the Hemiplegic Patient, 2/7/2000
Lower Extremity Range of Motion & Implications for Gait, 3/26/1998

Advanced Rehabilitation Services, Inc.

The Hemiplegic Upper Extremity & Implications for Gait, 2/18/1998

Rehabilitation Services of Georgia Baptist Healthcare System

Foot Drop: Splinting for Upper & Lower Motor Neuron Lesions, 10/1997
Foot Drop: Atypical Neurological Outcome With An Orthopedic Etiology - Splinting With An External Fixator, 8/1997
Wheelchair Forearm Splint, 9/1996

DeKalb Medical Center, 5/1994 - 6/1996

A Protocol to Reduce Edema for Total Knee Replacement
Focus on Functional Outcome: Stroke Rehabilitation
Stroke: A Continuum of Care
Dispelling the Myths of Spasticity
An Interdisciplinary Approach to Hemiplegic Shoulder Pain and Positioning: A Pilot Study (Clinical Research)
Assistive Devices Used During Gait with Stroke Patients - An Overview for 3600 Nursing Staff
Hyperextension of the Knee: Kinesiology/Anatomy with Implications for Gait
Total Hip and Knee Arthroplasty

Emory University - Career Center: "Success After Emory", 4/17/1996

St. Phillip AME Church, 1995-1998

Health Fair: Your Health is My Business

Meadowbrook Atlanta, 8/1992-3/1993

Family Education Series: The Body the Brain
Family Education Series: Physical Therapy and Clients with Traumatic Brain Injury

CONTINUING EDUCATION

- Translating Evidence into Practice to Empower the Person with SCI to Achieve Greater Health, 7/27/2010
- Combined Sections Meeting of the American Physical Therapy Association, 2/17-19/2010
- Ethics & Jurisprudence-GA, 6/14/2009
- Gait Biomechanics and Orthotics, 2/19/2009
- Combined Sections Meeting of the American Physical Therapy Association, 2/10-12/2009
- Observational Gait Analysis: Maximizing Gait Outcomes for Clients With Neurologic Deficits, 2/8-9/2009
- Anxiety & Depression in the Older Adult, 10/24/2008
- Focus Rigidity Casting, 10/14/2008

- The Healthy Heart: Advances in Cardiovascular Health, 9/4/2008
- Combined Sections Meeting of the American Physical Therapy Association, 2/7-9/2008
- **Managing the Neurologic Foot, Starting at the Top: A NDT Perspective, 6/2-3/2007**
- What's New in Wheelchair Seating, 4/14/2007
- Re-defining "Dynamic" Orthotic, 11/30/2006
- Going Beyond Diagnosis: Reasonable & Necessary Inpatient Rehabilitation Facility Services, 9/27/2006
- Low Country Stroke Conference, 6/27/06
- HealthSouth Body Weight Supported Treadmill Training, 3/3/2006
- Combined Sections Meeting of the American Physical Therapy Association, 2/1-3/2006
- III Step Summer Institute on Translating Evidence Into Practice: Linking Movement Science & Intervention, 7/15-21/2005
- Orthotics for the Neuro Patient, 4/8/2005
- Combined Sections Meeting of the American Physical Therapy Association, 2/24-27/2005
- Kinesiotaping Workshop, 10/14/2004
- Orthotic Technology.... A New Foundation for the Future, 8/9/2004
- American Physical Therapy Conference, 7/2-3/2004
- **Neuro-Developmental Treatment Association National Conference, 5/5-8/2004**
- **Using Taping As An Adjunct to NDT, 5/5/2004**
- Stroke Treatment Update, 6/6/2003
- Primary Group Exercise, 5/31/2003
- Stroke Treatment Update, 5/8/2002
- Cultural Influences on Child Development, 3/4/2002
- **Neuro-Developmental Treatment in the Acute Care Setting, 1/21-25/2002**
- **Neuro-Developmental Treatment: An Introductory Course (Pediatric), 7/27-29/2001**
- Medicare Documentation Requirements for Rehabilitation Services, 3/26/2001
- Improving Treatment of Acute Stroke, 1/16/2001
- Fighting Fat After Thirty, 12/7/2000
- Cultural Competency: The Coming of Age, 10/19-21/2000
- Prosthetics: Reality & Technology – A Clinical Presentation, 4/29/2000
- Lower Extremity Prosthetics & Advanced Hands on Training Workshop, 4/29/2000
- Strategies for Providing Efficient & Effective Clinical Education in the Current Physical Therapy Arena, 5/9/2000
- Medicare 102 - Advanced Provider Seminar, 2/2/2000
- Medicare 101 - An Introduction to Medicare Part B, 2/2/2000
- Sensory Integration & Self Regulation in Young Children, 4/2/1999
- **NDT: A Basis for Recovery, 4/24-25/1999**
- Neuroplasticity: Interface of Basic and Applied Sciences in Clinical Practice, 8/15-20/1998
- **NDT Advanced Upper Extremity Course, 3/17-21/1997**
- Measurement in Pediatric Physical Therapy: Linking Screening, Evaluation & Assessment to Treatment, 3/7-8/1997
- **NDT Facilitation of Higher Level Gait Activities in Function, 12/6-8/1996**
- Dermal Wound Management, 2/13/1996
- Skills for Assertiveness, 7/25/1995

- Take A Look (Research), 7/24/1995
- Coalitions for Consensus: A Normative Model of Physical Therapist Professional Education, 6/14/1995
- American Diabetes Association, Foot Care Workshop (Participant), 6/11/1995
- Nursing's Leadership Role for Successful Teams, 5/4/1995
- Preceptor Workshop, 3/24/1995
- Clinical Reasoning, 8/16-17/1994 & 9/13-14/1994
- Total Hip and Knee Arthroplasty: Reducing Costs while Improving Quality, The Challenge for the 90's, 5/5-6/1994
- Orthotics Used with the NDT (Bobath) Approach to Neurological Patients, 3/1-4/1994
- CASTS & SPLINTS: New Concepts in the Management of Foot Deformity in Adults with Neuromotor Dysfunction (Beverly Cusick), 2/17-20/1994
- Neuro-Developmental Treatment Association, Inc. NDT (Bobath) Three Week Course on Treatment of Adult Hemiplegia, 4/26/1993 - 5/7/1993 & 8/29/1993 - 9/3/1993
- Jay Medical Wheelchair Seating Seminar, 1/20/1993
- Neuromotor Developmental: Clinical Applications, 9/26-27/1992
- Clinical Instructor's Workshop, 6/24/1992 & 7/1/1992
- The Physical Modalities I: Update on Ultrasound & Electrical Stimulation Part One (The Science Behind the Practice), 5/21-22/1992
- Serial Casting (Assistant Instructor), 5/6/1992
- Powerful Communication Skills for Women, 4/23/1992
- Neurorehabilitation Symposium, 11/19/1991
- Issues in Motor Control and Motor Learning, 6/1-1991
- Closed Kinetic Chain Rehabilitation, 5/4- 5/1991
- A.I.D.S., A Realistic Approach, 12/12/1990
